Maths Week 2023

We are very excited to be celebrating Maths Week in school

(14th – 22nd October)

We will complete wonderful activities throughout the week to promote Numeracy in the school and enhance the children's skills and knowledge.

We have a few school challenges for all children and families to take part in over this week. Please ensure each family takes part in at **least one** of the activities below.

1. MATHS DETECTIVE

See attached the family math quiz. Please return all completed sheets before Friday 20th October to be in with the chance to win a **£10 voucher**.

2. MATHEMATICAL ACCESSORY

Design a cool 'Maths' accessory, this may be a hat, headpiece, necklace, sash or bag, something to show off how much we love maths in our school.

and bring into school on Thursday 19th October.

I am looking forward to seeing all the entries....

Happy Maths Week,

Mrs Russell.
